**Not all parking spaces
are created equal!**

Did you know that we have 7 parking spots designated for people with special parking permits? That includes 3 handicap spaces in the lower lot, 2 in the upper lot, and 2 in the south lot. One of the spots on the upper lot is also designated with a sign as "Van Accessible" because of how it is positioned to leave room for our friends needing ramp access. Let's make an asserted effort to utilize our parking as it is marked so we can make our gatherings accessible to everyone.

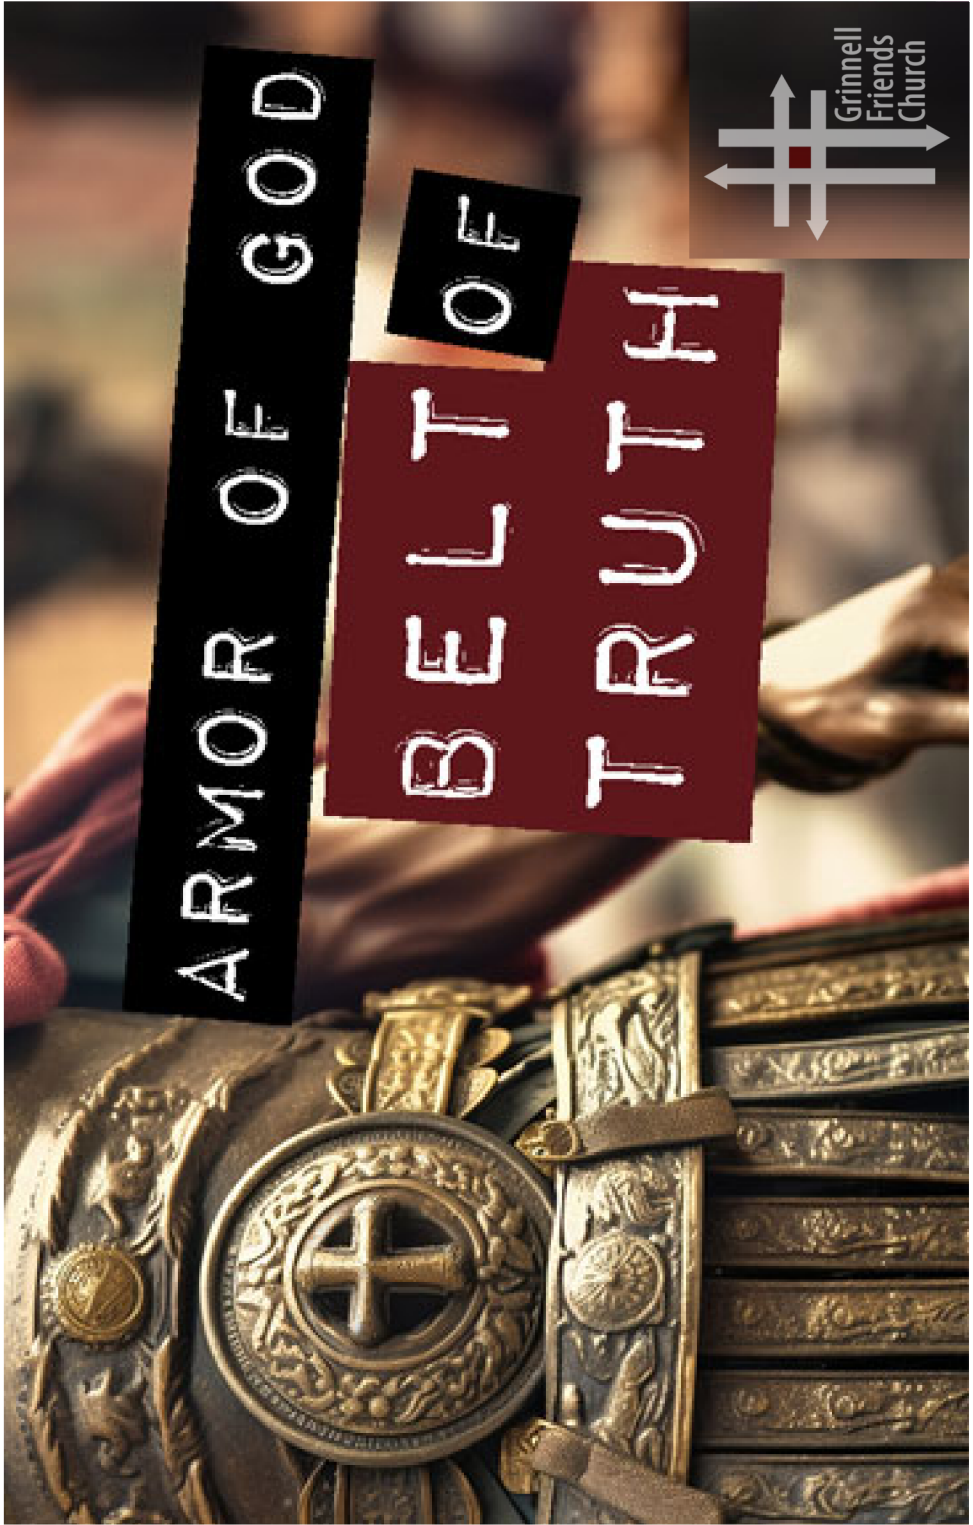

Lynnville Friends Church
is organizing a mission opportunity to work with Daniel and Sarah Zagami in Clarkston, GA, for June 1-9. Our friends, Joan and Lynn Van Der Krol are an instrumental part of that work and have invited us along. Are you interested? There will be a meeting today after church!
