**Not all parking spaces
are created equal!**
Did you know that we have 7 parking spots
designated for people with special parking
permits? That includes 3 handicap spaces in the
lower lot, 2 in the upper lot, and 2 in the south
lot. One of the spots on the upper lot is also
designated with a sign as "Van Accessible"
because of how it is positioned to leave room for
our friends needing ramp access. Let's make an
asserted effort to utilize our parking as it is
marked so we can make our gatherings
accessible to everyone.
