IN THE JOURNEY

## LIBRARY CART

The books on the cart in the foyer have been changed. Many of the books are new to us. Some of them are specifically Christmas. Also there are some books for men. If the hectic holiday activities start to get to you, try checking out one of the DVDs by Ken Davis for some good laughs. There are lots more books/DVDs in the library upstairs.

## DECEMBER Memory Verse

"The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through Him, the world did not recognize Him."

John 1:9-10 NIV
