**FOCUS 2: What we are actually willing to DO to effectively follow-up with our new attendees.**

### WHY F.R.A.N.GELISM?

- F.R.A.N. stands for Friends, Relatives, Associates and Neighbors.
- These are significant people in YOUR Web of Influence.

### WHY SO MANY CONTACTS?

  - Twinkies versus a new house.
2. The Law of \_\_\_\_\_.
  - Can be phone calls, letters, visitations or other personal contacts.
  - Also can be by seeing a church message in the Yellow Pages, billboards, advertisements, flyers or a church newsletter.
  - Some of these may be dated. Which ones?
  - What might be some more modern and effective means?
