

YOU ARE INVITED TO...

Messiah in the Passover

The Messiah in the Passover presentation is a powerful visual message not only of Israel's freedom from slavery in Egypt, but of the redemption of individuals from the bondage of sin through the atoning work of Jesus. The program is designed to give participants a deeper understanding both of Passover and of the Communion table.

Week 3 for Friend Day

In survey after survey, done in multiple denominations, 86% of church members say that the number one factor that influenced them to come to church was an invitation from a friend or relative.

Are you starting to get excited about Friend Day?! We have planned a great day for you and your friends...and are praying that your friends will be here. Besides planning an exciting worship service, we will have a time of fellowship after our worship service. Be sure to tell your friends you want them to stay for the reception after the service.

If you haven't done so already, be sure to turn in your "YES" cards at the Welcome Center. We'll post your cards on the wall with the pastor's and leaders' cards. Our prayer ministers want to start praying for your friends this week. If you need additional "YES" cards, they are available at the welcome center. Remember to copy your friends' addresses and **phone numbers** so you'll be able to call them the day before Friend Day and remind them of their commitment. Please do not invite friends from other gospel-teaching churches; just unchurched friends.

Thank-You Cards

Next week, "Thank You" cards and stamps will be available at the welcome center. We request that you send a thank-you note to all your friends who come on Friend Day. As you come in or leave pick-up as many cards as you think you will need, so you will have them to mail the Monday after Friend Day.

A man that has friends must show himself friendly: and there is a friend that sticks closer than a brother. (Proverbs 18:24)
