

What is Children's Worship? During the sermon, K-6th children have their own lesson guided by an adult leader, lasting around 25 minutes.

Why do we need you? The Christian Education Committee is looking for willing church members who are willing to serve in this capacity in a bi-monthly rotation schedule starting in the summer. Lesson plans/ideas will be provided and you are invited to shadow children's worship in the next few months to see what it's like and what a joy it is to get to know our kids and help them grow spiritually.

Please pray about your involvement with this important children's ministry. If you are interested and/or have questions, please contact Megan Crawford.

Welcome to Worship

“But blessed is the one who trusts in the Lord, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit.”
