~ Pastor Steve & Marilee

Wondering how you will survive the weeks surrounding Thanksgiving and Christmas? Are you dreading these holidays, knowing that everything has changed and that happy memories from past years can't be recreated?

GriefShare for **November 12** is a special one. Our Surviving the Holidays seminar is especially for people who are grieving a loved one's death. You'll learn:

- How to deal with the many emotions you'll face during the holidays
- What to do about traditions and other coming changes
- Helpful tips for surviving social events
- How to discover hope for your future

Let us not become weary in doing good,
for at the proper time we will reap a harvest
if we do not give up.
