

“What Is ‘a Remnant?’” Sermon 2 In Micah Series

2000 B.C. - God’s Covenant with **Abraham**
- **Genesis 12:1-3**

1500 B.C. - God heard the prayers of His enslaved people in Egypt. God raised up **Moses** to lead them out of bondage.

1000 B.C. - King David is king of united Israel

1000 B.C. – Divided kingdoms

As a result God set in motion the Period of the Prophets to try and turn the tide back to Jehovah. His prophets spoke warnings and told of coming judgment by the nations over Israel and Judah. And yet, God promised to preserve His **remnant**.

So, let us note some Life Lessons from what we have covered today:

1. Joseph – Take a Stand!
2. Learn to appreciate “manna,” even w/out “quail.”
3. The Spies’ Report: “There are giants in the land!”
